

REMARKS

Applicants believe that this Response to the Notice of Non-Compliant Amendment only affects the status identifiers provided in Applicants' previous Listing of Claims. In particular, the status identifier for Claim 15 has been corrected to properly list the status as "Currently Amended" rather than "Previously Presented" as was submitted with Applicants' April 27, 2010 Response. As specified by the Notice, Applicants have only provided the portion necessary to bring the Amendment and Response submitted on April 27, 2010 into compliance. Applicants believe that the Response filed on April 27, 2010 is still controlling for all areas not addressed by this Response.

With this Response, Applicants also submit a Petition for an Extension of Time and a credit card payment submitted via EFS Web in the amount of \$130, which represents the large entity fee under 37 C.F.R. § 1.17(a)(1) for a one-month extension of time. This amount is believed to be correct; however, Applicants authorize the Commissioner to charge to Deposit Account No. 14-0629 any additional fees that may be required, or to credit to the same account any overpayment of fees.

Respectfully submitted,
